We met with our *Initial Outfitting, Transition, & Commodities (IOT&C) TALU* this week, we meet with them next week on relocation, moving services and ancillary services.

- Who is the POC for the 999 Swing Space Building's Lessor or Building Management Company?
    - What are the requirements for site protection (flooring etc.) during the relocations?
    - What are the height & length limitations loading dock, and freight elevator access?
- Who is the POC for coordination with General Contractor (Construction)?
- Electrical contractor will attached furniture whips to systems furniture from the "J-Box's"
- Electrical contractor will be terminated low-voltage both in offices and desk top.
    - We have to come up with a solution for wire management (from column of poke-through for benching areas

Thanks

Phil
